My Electric Belt goes to the spot and drives it out of the body. It relieves the pain in an hour and cures the worst cases in a week.

Dr. McLaughlin's Electric Belt
Has cured thousands of Rheumatics. It will cure you.

Rheumatism Cured.

Dr. McLaughlin—Dear Sir: About one month ago I began the use of your belts for the cure of rheumatism, having suffered with it for three years, and after having tried all kinds of medicines and doctors, and being compelled to change my residence from Amador county, I began to improve immediately after three days' use of the belt, and have continued to do so since. It has done good work for me. I now get up in the morning feeling fresh and rested, instead of that tired, worn feeling, and have increased greatly in weight. I feel better in every respect, and have your belt to thank for it. You may use this letter as you see fit. Yours very truly,

NOW IT'S KAULUKOU

Is Not Allowed to Speak Hawaiian In Court.

RATHBURN IS FREED BY COURT

Trial of Gussman Charged With Murder in Second Degree Begins Before Humphreys.

Ex-Judge J. L. Kaulukou and incidentally all Hawaiians were given a decided setback yesterday by Judge Humphreys during the trial of the case of Ben Gussman, charged with murder in the second degree.

Judge Kaulukou is attorney for the defendant, who is a Spaniard, but who also speaks Hawaiian like a native. After the jury had been secured, the attorney asked permission to examine the witnesses, who were all Hawaiians, in their native tongue. Judge Humphreys peremptorily refused the request, stating at the same time that he had on several occasions allowed such procedure in the past, but that Kaulukou had deliberately and falsely stated that he had not allowed such examinations to be made in Hawaiian, and consequently the privilege would be denied to him. In conclusion the court stated that Judge Kaulukou would be required to conduct the examination as any other attorney should, or he would get some other attorney to take his place in the conduct of the case, who could conduct it in English.

The Gussman case was taken up immediately upon the disposition of the Rathburn hearing yesterday morning, but a postponement was necessary because the panel was exhausted before the jury could be secured.

In the afternoon the panel was completed and the following men called to serve: Geo. W. Macy, Jos. Richards, David Notley, H. D. Swinton, J. H. Taylor, Edward Woodward, Geo. K. Kala, Jos. K. Merseberg, Jas. Kahalepua, A. K. Aona, W. W. Blake, Alex. G. Nicholas.

Gussman is charged with having stabbed to death a native named Kanehoa, in the month of April last. The defendant was living with the deceased and his wife, and they quarrelled over some trivial matter, resulting in it being alleged in an attack by Gussman upon Kanehoa with a knife. The latter was stabbed in the neck and died from his injuries a short time afterwards. Five witnesses were examined during the afternoon, and the Territory has still more evidence to present today. The court made no order compelling the jury to remain together, and they will be held in the custody of a bailiff all night. Cots for their convenience have been placed in the Supreme Court room, and they will be allowed to pass the night there, and are to be held under as strict surveillance as if confined by a verdict.

RATHBURN GOES FREE.

Wm. K. Rathburn was discharged yesterday morning upon a verdict of acquittal, directed by Judge Humphreys. The motion made by Attorney Robertson for the discharge of the prisoner on the ground that the facts set out as being false were not material, was sustained, but the Court decided that the grand jury panel was regular and sustained Deputy Attorney General Cathcart on this point. The court held that if Rathburn had been killed by Dr. Carter, the crime would have been murder, and that because the defendant was on the premises of Carter gave him no right to shoot without warning. "Dr. Carter's relations with this man were unfriendly," said the court. "He was known not to be on the premises, and that if he did he might be treated as it is alleged he was treated. When a man lives in the country, as Dr. Carter does, I don't believe he has a right, if he sees a man in his yard at 10 o'clock in the evening, to shoot him without giving warning. There is no evidence here of the hostility of these men, but the Court does not believe the evidence of the defendant before the grand jury to be material. I should be compelled to instruct a verdict of not guilty on this point, or if a verdict of guilty was returned, it would be my duty to set it aside."

The jury was then called into court and instructed to return a verdict of not guilty, the Court stating that the prosecution had failed to prove the materiality of the allegations in the information.

MARRIED BLISS WAS BRIEF.

Suit for divorce has been instituted by Lena K. Adams vs. Howard W. Adams, on the ground of non-support. The parties to this action were only married January 6th of this year by Rev. V. H. Kiteat. In the petition it is alleged that libellee, thought able to do so, has failed to provide suitable maintenance for his wife nor has he come so since the marriage. It is alleged that defendant "was employed as purser on the steamers of the Inter-Island Steam Navigation Company, and during his absences from Honolulu failed and neglected to provide libellant with money sufficient to secure the necessities of life, rendering it necessary for her to borrow money to pay board and other necessities, and in March, 1901, she was compelled to leave the rooming house where she had been with her husband, and has since been dependent upon her relatives." Custody of the child one month old is asked.

HUSBAND WAS CRUEL.

Lisa Tokewa Kaholokai sues Ioweko Kaholokai for divorce on the ground of non-support and cruel treatment. They were married on April 2, 1877, and lived in Hanalei, Kauai, until 1895, when they removed to this city. The petition alleges that since the month of February, 1901, the said libellee has been "disregardful and careless, spending his money in gaming and other unlawful and improper ways, and has utterly failed to provide

for the necessities of life for your petitioner and her children." Petitioner also alleges that she was beaten and abused by defendant and on August 31, 1901, she was assaulted by her husband, for which offense he was sentenced to one month's imprisonment by the District Court. Since that time petitioner and libellee have failed to cohabit as man and wife. Custody of six minor children is asked by libellant.

THIRD DIVORCE.

Maria Moxado was the third woman to apply for a divorce. The libellee in this case is Manuel Silva Moxado, and he is alleged to have been guilty of cruel and inhuman treatment and failure to support. The parties were married at San Miguel Sept. 14, 1886, and Sept. 2, 1900, the husband is alleged to have deserted plaintiff. The libellee was served at Hilo, and asks the custody of three minor children.

COURT NOTES.

Rishop & Co. have sued H. L. Evans and K. Matsumoto for \$1,000 due on note. An amended complaint has been filed by plaintiffs in the case of J. M. Vivas vs. Maria G. Levinho.
